

# Division 22 Standards for Public Elementary and Secondary Schools

## 2019-20 Assurances Report

By November 1 of each year, school district superintendents are required by [OAR 581-022-2305: Operating Policies and Procedures](#) to report to their school board the district's standing with respect to all of the Standards for Public Elementary and Secondary Schools as set out in Oregon Administrative Rules Chapter 581, Division 22. For the 2019-20 school year, the State Board of Education adopted [OAR 581-022-0103: State Standards for the 2019-20 School Year](#). This rule established a streamlined set of Division 22 standards in effect for the 2019-20 school year, accommodating for the shift to emergency distance learning in response to the COVID-19 pandemic. For the 2019-20 school year, school districts are required to report on the Division 22 standards included in OAR 581-022-0103; any standard not included in this rule is waived for the 2019-2020 school year.

Below is a summary of the Ashland School District's compliance with each of the standards included in [OAR 581-0103: State Standards for the 2019-20 School Year](#). For each standard reported as out of compliance, Ashland School District has provided an explanation of why the school district was out of compliance and the school district's proposed corrective action plan to come into compliance by the beginning of the 2021-22 school year.
