## **ARTICLE 4**

# **VACANCIES, PROBATIONARY PERIOD, TEMPORARY POSITIONS, SUBSTITUTE POSITIONS, AND TRANSFERS**

### A. Vacancies in the Classified Service

The District recognizes that it is desirable to consider the interests, aspirations, and qualifications of its classified staff in making assignments. Therefore, the District declares its support of giving strong consideration to its own classified staff when filling vacancies within the bargaining unit.

When open positions are posted, whether temporary or probationary within the bargaining unit, the District will give first consideration to current classified bargaining unit employees. Such postings shall be placed on bulletin boards as specified in the contract, in major buildings and/or classified employee work places, on the District website, and on District-adopted online hiring sites as appropriate, for not less than seven (7) working days. Copies of the postings shall be provided to the Association president or designee when job postings are distributed. During the summer vacation period, such postings shall be mailed to the Association president or designee, posted at the District Office, posted on the website, and posted on District-adopted online hiring sites as appropriate.

Bargaining unit employees who have complied with the regular application procedures and meet minimum qualifications of the job description will be interviewed before any out-of-District applicants. When two (2) or more in-District applicants for a vacant position are equally qualified to fill the position as determined by the District, District-wide seniority will be the basis for assignment. Criteria to be used when determining qualifications shall include:

- Current job classification;
- Employee evaluations;
- Experience/knowledge/abilities.

Upon the employee's written request, the employee will receive a written explanation from the District of the reason why the employee was not selected. If no in-district applicants are considered to be qualified, the District may then interview out-of-district applicants.

### B. Probationary Period

The parties recognize that the probationary period is an integral part of the employee selection process.

Every employee hired into the bargaining unit shall serve a probationary period of six (6) months. However, the District may, at its discretion by written notice, extend non-probationary status to a new employee at the end of three (3) months of service. Probationary employees shall receive a performance review midway through the probationary period. Prior to the conclusion of the probationary period, a written evaluation will be placed in the employee's personnel file.

The Association recognizes that probationary employees serve at the discretion of the District; therefore, the District maintains the unrestricted right to terminate probationary employees.

C. Temporary Positions

A Temporary position is defined as a position with a beginning and ending date not to exceed one-hundred-twenty (120) workdays in a twelve (12) month period. If a position extends beyond one-hundred-twenty (120) workdays, it shall be considered a bargaining unit position.

Should the temporary employee be hired into the position, seniority shall be awarded as of the first day of work as a temporary employee.

D. Transfers

A bargaining unit employee may accept a transfer to a temporary assignment or position. While in the temporary assignment or position, the regular employee will retain all rights and privileges provided in the bargaining Agreement with the exception of compensation and benefits which will be determined by the position. At such time as a temporary position becomes permanent, the regular employee will have the option to remain in the new position, with compensation and benefits as per the bargaining Agreement, or return to the employee's previously held position.

E. Promotion

Bargaining unit employees promoted into a higher classification shall serve a trial period of three (3) months in the higher classification.

If an employee does not successfully complete the employee's trial period, the employee shall be returned to the employee's previous position or to a position in the same job classification in the District with the same number of hours.

When an employee is promoted to a position in a higher salary range, the employee shall be placed on a step which provides a salary increase equivalent to one (1) step on the salary schedule or to the first step of the higher salary range, whichever is greater.

Voluntary Demotion

An employee who voluntarily changes to a position in a lower salary range shall be placed on the step in accordance with Article 5 Section G.

Involuntary Demotion

An employee who involuntarily changes to a position in a lower salary range due to disciplinary action shall be placed on the same step as the employee's previous job classification.

## Reclassification

When the District reclassifies a position so as to place it in a higher salary range, the incumbent shall remain in that position provided the employee is qualified.

### F. Working Out of Classification

When a bargaining unit employee is assigned to a position in a higher salary range for four (4) or more working days, the employee shall be paid at the lowest step of that salary range which provides a salary increase equal to at least one (1) step increase. This salary shall be instituted on the fourth (4th) working day of the assignment.

### G. Placement on Schedule

New employees will be given credit for the amount of outside experience up to a maximum of three (3) steps on the classified salary schedule provided all employment verification has been received and verified by their first day of employment. If prior experience has not been received and verified, the employee will be placed on Step 1 of the classified salary schedule until the end of the employee's probationary period. Exceptions to placement of new employees shall be at the discretion of the Superintendent and the Superintendent will inform the Association President and Labor-Management.

### H. Evaluations

Permanent classified bargaining unit employees will be evaluated at least every other year based upon their job performance as it relates to job description. Formal evaluations shall be completed by the employee's immediate management supervisor by May 31. A record of the evaluation will be placed in the employee's personnel file in conformance with Article 12.

### I. Job Descriptions

The District agrees to notify the Association President in writing whenever a new classified position is created. Job descriptions for newly created or reclassified positions shall be developed by the District. The District shall bargain the salary placement of the position with the Association.

## **ARTICLE 5 PERFORMANCE MANAGEMENT**

The District will provide a work environment that fosters successful, productive employees through the establishment of an effective performance management process. This process is comprised of effective communication, establishing clear expectations, providing opportunities for employee development, and monitoring and evaluating performance.

No employee shall be disciplined without Just Cause and Progressive Discipline. The Discipline process shall consist of six (6) possible levels ranging from verbal notice/counseling to termination. Supervisors should adhere to the steps listed in the chart below once a level of discipline is utilized. However, progressive discipline is not inflexible. A supervisor is not required to utilize all six (6) levels of discipline if the situation warrants a more severe level of discipline.

If the problem is behavioral, there is no need to give the employee time to improve. The supervisor may require the employee to immediately cease and desist from engaging in the behavior. If the behavior is repeated, the supervisor may progress to the appropriate level of discipline.

The supervisor/administrator will notify the employee of the right to an Association representative during the progressive discipline process. All information forming the basis for disciplinary action will be made available to the employee.

The District may place an employee on administrative leave with pay pending the outcome of an investigation into the employee's alleged misconduct.

<b>Progressive Discipline Steps for Classified Employees</b>	
<b>Discipline Level</b>	<b>Action</b>
<b>1</b>	<b>Verbal Notice/Counseling</b>
<b>2</b>	<b>Letter of Concern/Direction</b>
<b>3</b>	<b>Letter of reprimand</b>
<b>4</b>	<b>Suspension/Demotion</b>
<b>5</b>	<b>Last Chance Agreement</b>
<b>6</b>	<b>Termination</b>

### **A. Process for Written Documentation for Performance Issues**

If and when performance concerns are identified, the supervisor/administrator will communicate with the employee at the earliest opportunity and discuss suggestions for performance improvement. If the concern is related to a lack of knowledge or skill, the employee may be given an opportunity to gain the knowledge/skill.

1. The supervisor/administrator shall inform the employee when poor performance is observed, state performance expectations and cite specifics on improvement goals.

2. A written communication to the employee will follow, memorializing the conversation, and the employee will be given the opportunity to correct the deficiencies.
3. To formally clarify performance expectations and provide a guide for performance improvement, a “plan of assistance” may be initiated. The plan of assistance will include:
  - a. Specific performance expectations;
  - b. Timeline expected for correction of areas of concern or deficiencies;
  - c. Timeline for feedback from supervisor/administrator discussing progress achieved or continued areas of concern;
  - d. Resources available for assistance from the District/supervisor/administrator;
  - e. Reasonable time for improvement before considering dismissal; and
  - f. Appropriate consequences, should the deficiencies not be corrected to meet position standards and expectations.
4. If performance does not improve, the District may take action up to and including dismissal.
5. Dismissal, disciplinary suspension or disciplinary demotion of a non-probationary employee will not be done without cause.

B. Misconduct

Progressive discipline is not an appropriate course of action for all circumstances. There may be occurrences of misconduct where immediate formal action is warranted.

Misconduct is an intentional or willful violation of a clear rule of the District of which the employee was aware, or which is obvious, such as the prohibition on theft or dishonesty.

When incidents of misconduct are suspected, a formal investigation of the incident or occurrences will be conducted.

1. The District shall notify the employee of the right to have an Association representative during this process. All information forming the basis for disciplinary action will be made available to the employee.
2. Dismissal, disciplinary suspension or disciplinary demotion of a non-probationary employee will not be done without cause.

## **ARTICLE 6 WORKING CONDITIONS**

### **A. Work Week:**

The normal full-time workweek shall consist of forty (40) hours within the designated workweek, worked on the basis of five (5) eight (8) hour days unless otherwise assigned. To the extent consistent with the operational needs and requirements of the District, such workdays shall be consecutive as scheduled by the District. To the extent consistent with the operational needs and requirements of the District, the District will schedule work on a Monday through Friday basis. However, the workweek shall begin at 12:01 a.m. on Saturday and end on Friday at 12:00 midnight. The District reserves the sole discretion over operational needs and requirements and the pursuant scheduling of bargaining unit employees on other than a consecutive workday schedule or other than a Monday through Friday basis. Nothing in this Article or any part of the Agreement shall be construed as a guarantee of hours of work.

### **Meal and Rest Periods:**

A bargaining unit employee working five (5) or more hours per day shall receive an unpaid duty-free meal period of not less than thirty (30) minutes. If the employee is required to perform a task during the meal period, the employee will be compensated for all time worked during the meal period, and/or the entire meal period taken over. This section will not apply to employees assigned to a split shift. Employees shall be allowed a fifteen (15) minute paid rest period during each four (4) hour work period. Such rest period shall normally be provided near the middle of each four (4) hour shift. The immediate supervisor shall determine when the rest period is to be scheduled, and provide coverage if needed, and how many employees may be off at any one time.

### **Re-Employment Notification:**

School year employees will be notified by May 31 of their scheduled return date, unless unforeseen circumstances arise at which time employees will be notified as soon as possible.

### **Annual Job Information:**

The following information shall be submitted electronically via the appropriate District system to all bargaining unit employees by September 30 of each year:  
Hourly/monthly/annual rate of pay; total scheduled work days; total years worked in the District; total used/unused sick leave days and longevity status.

### **B. Non-Discrimination:**

The District agrees that employees shall not be discriminated against by reason of race, color, creed, sex, sexual preference, national origin, political or religious affiliations, physical handicap, or activities associated with the employee's union.

C. Workplace Safety:

If an employee is aware of unsafe or unhealthy working conditions, the employee shall report such condition in writing to the District Safety Committee. (See Article 17 - Standing Committees)

D. Work Schedules:

Should a change in work schedule be required, employees will be given a minimum of three (3) days' notice when possible. However, if the employee is available, the employee may begin the new schedule immediately.

E. Emergency Closures

1. All twelve (12) month employees are expected to report to work on emergency closure days if it is safe to travel.
2. Should twelve (12) month employees be unable to report, they may utilize accrued vacation, personal leave, unpaid leave, or compensatory time. If a twelve (12) month employee is ill on an emergency closure day, the employee may utilize accrued sick leave. If a twelve (12) month employee is on pre-approved leave, the employee will not be required to report to work on emergency closure days.
3. All twelve (12) month employees, as well as those employees working fewer than twelve (12) months specifically designated by the District, who work on an emergency closure day shall be compensated at one and one-half (1½) times their regular hourly rate of pay for the first three (3) days of emergency closure per fiscal year.
4. On emergency closure days, employees working fewer than twelve (12) months shall not report to work, except as provided for in Sections 3 and 5. All employees working fewer than twelve (12) months shall make up at least the first three (3) days of emergency closure at their regular rate of pay per fiscal year.
5. Should additional employees be needed during emergency closure days, less than twelve (12) month employees may be called in to work on a voluntary basis. Such employees shall be compensated at one and one-half (1½) times their regular hourly rate of pay for up to three (3) days of emergency closure per fiscal year. In addition, such employees shall be expected to report to work on makeup days.
6. Should employees report to work and an emergency closure occurs, the District agrees to compensate those employees a minimum of two (2) hours at the employee's regular rate of pay. An employee will not be paid if the District gave reasonable notice of the emergency closure by radio, television, telephone, or electronically beforehand.

7. Should it become necessary to maintain emergency closure status in the district after three (3) days of emergency closure in a fiscal year, the Superintendent shall meet with the Association and other District stakeholders as deemed necessary to develop an appropriate response plan to address staffing needs and compensation.

**ARTICLE 7**  
**OVERTIME, COMPENSATORY TIME,**  
**CALL-BACK TIME, EXTRA DUTY COMPENSATION**

A. Overtime

1. Bargaining unit employees shall be compensated at the rate of time and one-half (1½) in the form of pay or compensatory time off at the discretion of the District for overtime work in excess of eight (8) hours per day or forty (40) hours in any designated workweek. For the purpose of computing overtime, all time for which an employee is compensated, including paid leave, shall be credited as time worked.
2. Overtime shall be computed to the nearest quarter (.25) hour. Overtime pay shall be based on the actual number of hours on duty, except in the case of call back time.
3. In the event that sufficient acceptable personnel do not voluntarily accept overtime, such additional personnel, as are deemed necessary by the District, shall be required to work overtime.
4. Overtime is to be approved by the supervisor in advance. In the event of an emergency, approval may be given after the fact.

B. Compensatory Time

1. Compensatory time off must be taken within the work year in which it is earned. If the District is unable to schedule such compensatory time off within this period, the employee shall be paid upon request in the employee's regular pay period. When comp time is earned as overtime, it will be compensated at the rate of time and one-half (1½).
2. Accrual and use of compensatory time are to be approved by the supervisor in advance. In the event of an emergency, approval to accrue compensatory time may be given after the fact.
3. Employees must be permitted to use accrued compensatory time within a reasonable period after requesting time off, unless it would unduly disrupt the operations of the District.
4. If employees have not been able to use their accrued compensatory time by June 30 of each year, they will have that time paid by the District in their last payroll check of the fiscal year, unless prior arrangements have been made to accrue the time.
5. An employee may accrue up to a maximum of forty (40) hours compensatory time.

C. Call-Back Time

1. When a bargaining unit employee is called back to work, a minimum of two (2) hours paid time will be guaranteed.

D. Extra Duty Compensation

1. The parties agree that the following conditions will be applied to the hiring and paying of bargaining unit employees who work at athletic and/or other extra-curricular functions. Examples of assignments include but are not limited to ticket takers, gatekeepers, scorekeepers, running game clocks, student supervision, security, dance chaperones, etc.
  - a. Classified employees do not qualify for overtime pay when working such assignments as described above because these assignments are considered occasional or sporadic, and are in a different capacity, as defined by the Fair Labor Standards Act.
  - b. Classified employees hired for extra duty assignments as described above shall be paid an hourly rate of thirteen dollars (\$13.00). In no case will classified employees be paid less than other employees for these same duties.
2. Extra Duty coaching assignments will be offered to licensed employees first, and then to classified employees under the following conditions:
  - a. Coaching assignments should not regularly interfere with an employee's regular work duties.
  - b. Coaching assignments are routine in nature and are, therefore, subject to overtime which is defined as work in excess of forty (40) hours in any designated work week, including holiday time.
  - c. The rate of pay for Extra Duty coaching assignments shall be at the discretion of the District, based on applicable wage and hour laws.

## **ARTICLE 8 LAYOFF AND RE-EMPLOYMENT**

### A. Pending Layoff Action

The District will notify the Association in writing, thirty (30) working days prior to pending layoff actions that will affect employees within the bargaining unit. The Association's representatives and District representatives will meet during the thirty (30) working day period to discuss alternatives to the layoff of employees in the bargaining unit. The purpose of such consultation shall be for the Association to offer alternative solutions and/or ensure the proper contractual implementation of such reductions. In unusual circumstances, both parties may mutually agree to waive the thirty (30) day waiting period.

### B. Layoffs

1. Whenever the District determines a need exists to reduce District staffing, the District may lay off bargaining unit employees based on seniority.
2. Layoffs shall be made in reverse order of seniority. The date of hire will determine seniority. EXAMPLE: The least senior employee in a classification shall be laid off first.
3. Seniority shall be defined as the length of continuous classified service, inclusive of approved leaves, within the District since the last date of hire. In the event that the seniority is the same, determination shall be by lot at the beginning of employment.
4. No permanent bargaining unit employees shall be laid off within a job classification until all retirees (1039), probationary, substitute, and temporary employees in such classification have been released.

### C. Re-Employment

No new permanent bargaining unit employees will be hired into classifications from which employees are laid off. Bargaining unit employees on the Layoff Re-Employment List will be offered available temporary positions. Refusal of such offer will not constitute removal from the Layoff Re-Employment List.

### D. Layoff Rules

1. If the District determines the need for reduction in its work force, a written notice of not less than thirty (30) calendar days prior to the last day of work shall be provided to the Association and to the bargaining unit employees to be laid off. In unusual circumstances, both parties may mutually agree to waive the thirty (30) day waiting period.

2. The notice shall contain the effective date of layoff, displacement rights, if any, and re-employment rights. Bargaining unit employees who have been laid off shall be placed on a re-employment list for a period of twenty-seven (27) months.
3. Offers of re-employment shall be made in reverse order of layoff as openings occur for which employees meet qualifications within their former classifications.
4. Bargaining unit employees scheduled for layoff may bump into any equal or lower classification in which they held permanent status provided they are more senior than the employee being bumped and are qualified to perform the current duties/responsibilities of the equal or lower classification as required.

Example: Employee A has two (2) years seniority as a Secretary II and is laid off from the classification. That employee previously held permanent status as a Secretary 1 and was in the classification for five (5) years. Employee A bumps into a Secretary 1 classification. The employee's DISTRICT seniority as a Secretary 1 would be seven (7) years. Such combining would continue each time an employee is bumped into an additional equal or lower classification for which the employee is eligible.

5. Individuals on a Layoff Re-Employment list shall be notified in writing, sent by certified mail, return receipt requested, of an offer of re-employment and will have ten (10) working days to respond.
6. Failure to respond within the time specified or a refusal of comparable employment would cause the individual's name to be permanently removed from the re-employment list. Comparable employment shall be equal to 100% of the compensation level (including benefits) of the previous assignment prior to layoff.
7. An employee who is laid off and subsequently re-employed shall retain the seniority earned prior to the effective date of the layoff.
8. The District reserves the right to retain less senior employees where there are operational needs for special skills. Special skills will be mutually agreed upon by the District and the Association, on a case by case basis, at the time the operational need is identified.

#### E. Reduction of Hours

1. Whenever the District determines a need exists to reduce hours of work by more than one (1) hour, which will affect bargaining unit employees, the District agrees to notify the Association, in writing, of such pending actions. The District will consult with the Association for a maximum of thirty (30) working days. The purpose of such consultation shall be for the Association to offer alternative solutions and/or ensure the proper contractual implementation of such reductions. In unusual circumstances, both parties may mutually agree to waive the thirty (30) day consultation period.

2. After consultation with the Association, the District may implement a reduction in hours. In that event, affected bargaining unit employees will first be ranked in order of seniority. In order of seniority, and to the greatest extent possible, the District shall accommodate the preferences of any employee who may be transferred or reassigned in connection with a reduction in hours. Those preferences will be supplied to the District by means of a form mutually developed by the District and the Association to be completed by the affected employees. If the employee's preferences cannot be met, the District may implement an involuntary transfer for that employee.

The Association shall be entitled to have a designated representative at any meetings held regarding the implementation of reduction in hours. Such meetings shall be scheduled in a timely fashion at a mutually agreed upon time.

3. Bargaining unit employees who have had their hours reduced by more than one (1) hour shall be placed on the Reduction In Hours Re-Employment List for a period of twenty-seven (27) months. When the District determines that increased hours become available, bargaining unit employees shall be offered by seniority, the opportunity to regain the hours that have been previously reduced, provided that the new assignment does not interfere with their current duties.

## **ARTICLE 9 PERSONNEL RECORDS**

The official personnel record for every classified employee is maintained at the District Office. The personnel file shall contain records relevant to the employee's employment and shall be the sole repository of such materials. Working files may be maintained at the work location but are not considered to be an official record.

- A. The personnel records of any employee in the bargaining unit shall not have any information of a critical nature that does not bear the employee's signature or initials indicating that the employee has been shown the material or a statement by that supervisor that the employee has been shown the material and refused to sign or initial such information. The employee has the right to attach a statement to any information the employee considers to be incorrect or derogatory. Information not in compliance with this section shall not be used in any proceedings adverse to the employee.
  
- B. An employee may request permission to view the employee's personnel file upon notice to the Superintendent or the Director of Human Resources. An employee may provide the Association with permission to access the employee's personnel file. At no time shall the employee remove material from the employee's file. The employee may request that certain documents be removed from the employee's file and destroyed. Said documents will be reviewed by the Superintendent or designated representative and if, in the opinion of the District, such material is irrelevant to the employment and the work of the employee, such documents will be withdrawn from the file and destroyed.

## GRIEVANCE PROCEDURE

### A. Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, a resolution to the grievance caused from the interpretation or application of this Agreement. The proceedings will be kept confidential and as informal as appropriate at any level of the procedure.

### B. Definitions:

1. Grievance: A claim by an employee, a group of employees or classification, or the Association, that names at least one or more employees, that there has been a violation, misinterpretation, or misapplication of this Agreement.
2. Grievant: An employee, group of employees or classification, or the Association.
3. Days: Regular District business days.
4. Representative: One who may speak for and/or advise the grievant.
5. Immediate supervisor: One who has direct administrative or supervisory responsibilities over the grievant.
6. Worksite Level: A grievance that originates at the worksite or department level.

### C. Grievance Guidelines

1. The grievant must be present or represented at all steps of the procedure. The grievant may be represented by a person or persons of their choice at any step of the grievance procedure. Should the grievant choose to represent oneself, the following requirements shall apply:
  - a. Any employee covered by this Agreement may file a grievance directly and have such grievance adjusted without intervention by the Association, as long as the adjustment is made prior to arbitration and is not inconsistent with the terms of this Agreement. The employee may provide to the Association any copies of the grievance form and any responses by the District, with all accompanying documentation.
  - b. Prior to any grievance adjustment, the Association shall be provided with a copy of the proposed resolution for review and be given five (5) days to respond.

  4. A grievance shall be considered resolved at any level when the grievant fails to request further consideration of the grievant's grievance at the next level within the time limits specified in these procedures. Failure at any level of this procedure to communicate the decision of a grievance in writing within the specified time limits shall permit the grievant to proceed to the next level.
  5. Each grievance shall be initiated within ten (10) working days after the occurrence of the cause of the complaint. However, if the grievant did not become aware of the occurrence until a later date, the grievant must then initiate action within ten (10) working days following the grievant's first knowledge of the cause. In failing to thus initiate action, he/she shall be considered to have abandoned the grievance.

D. Levels of Grievance Procedure (See chart in Appendix B)

1. Level 1 – Informal

Any grievance arising out of the interpretation of the terms of this Agreement shall first be discussed informally with the objective of solving the matter at the lowest possible level. In the case of a grievance that originates at the worksite level, the grievant shall meet with the immediate supervisor. In the case of a grievance that originates at the District level, the grievant shall meet with the Director of Human Resources. This informal level meeting shall occur within ten (10) working days of the grievant's knowledge of the violation. The grievant may be accompanied by an Association representative at this meeting. The grievant shall specify the relief or remedy sought at this level. The immediate supervisor or Director of Human Resources shall communicate the decision within ten (10) working days to the grievant with a copy to the Association. The Association shall be allowed to exhaust informal discussions before the filing of any formal grievance without affecting grievance timelines.

2. Level 2 - Formal

If the grievant is not satisfied with the disposition of the grievant's grievance at Level 1, the grievant may file a written grievance with the immediate supervisor (worksite level) and/or the Director of Human Resources (District level) within ten (10) working days following the decision at Level 1. The immediate supervisor or the Director of Human Resources shall communicate in writing their decision in writing within ten (10) working days following the grievance meeting to the grievant, with a copy to the Association.

3. Level 3

If the grievant is not satisfied with the disposition of the grievance at Level 2, the grievant may appeal the decision to the Superintendent or the designee within ten (10) working days of receipt of the decision rendered at Level 2. This grievance shall be in writing and shall set forth the grounds upon which the grievance is based, the contract clauses involved, the remedy requested, and the reason the remedy at Level 2 was unacceptable. The Level 3 grievance meeting shall take place within ten (10) working days from the date the Superintendent or designee receives the written grievance appeal. The Superintendent or designee shall communicate in writing within ten (10) working days of the receipt of the Level 3 meeting. The Superintendent or designee at their option, may schedule a hearing on the matter. If so, written notice of the time and place of the hearing shall be provided to the grievant and the Association at least ten (10) working days prior to the hearing. Attendance at the appeal hearing shall be restricted to the grievant, designated representatives and relevant witnesses. Within ten (10) working days of the hearing or review, the Superintendent shall communicate to the grievant and the Association the written decision which shall include supporting reasons therefore.

4. Level 4

If the grievant is not satisfied with the disposition of the grievant's grievance at Level 3, the grievant may appeal the decision to the School Board within ten (10) working days of receipt of the decision rendered at Level 3. The School Board shall schedule a grievance hearing at their next scheduled meeting. Written notice of the time and place of the hearing shall be provided to the grievant and the Association at least ten (10) working days prior to the hearing. Attendance at the appeal hearing shall be restricted to the grievant, the grievant's designated representatives and relevant witnesses. Within ten (10) working days of the hearing, the School Board shall communicate to the grievant and the Association their written decision which shall include supporting reasons therefore.

Eligible employees shall receive a one-step advancement on the classified salary schedule on July 1 each year during the term of this Agreement.

- B. Funding

The parties recognize that revenue needed to fund the compensation provided by this Agreement must be approved by established budget procedures, adequate sources of revenue and, in certain circumstances, by a vote of the citizens.

The parties recognize that revenue needed to fund the compensation provided by this Agreement is contingent upon the state funding and distribution formula, plus other District revenues as allowed and provided for by law. The District agrees to budget annually the full amount necessary to fund this Agreement. In the event the District, through no fault of its own, is unable to meet the financial obligations set forth herein during the life of this Agreement, the parties may re-open this Agreement to negotiate wages and/or hours. It would be the goal of these negotiations to find creative solutions to revenue shortfalls prior to reducing wages or laying-off any bargaining unit member.

If the District should receive significantly increased funds, the District shall bargain with the Association in prioritizing the funds. "Significant increase" shall be defined as any unanticipated general fund revenue received by the District in excess of 10%.

- C. Longevity

Employees who have completed eight (8) years of continuous service within the District become eligible for longevity pay. Longevity pay will be included in the employee's hourly wage rate and computed in the following manner: A schedule will be created for all employees eligible for longevity and on step 8. Year one will be calculated using the following formula: years of service beyond seven x .0076 = increase times hourly rate.

Each additional year will be increased by .74%. See schedule in Appendix C-2.

The anniversary date of longevity pay will be July 1 of each year with credit being granted for service performed prior to January 1 of the previous school year.

## ARTICLE 13 LEAVES

Leaves in this Article shall be available to all bargaining unit employees unless otherwise identified in the Article. All leave requests shall be approved or denied within two (2) weeks of submission if possible. If there is no response by the employee's supervisor after two (2) weeks, the leave will be considered approved.

Supervisors will be responsible for scheduling leaves and will facilitate communication with employees to maintain consistency and to ensure clear understanding of scheduling procedures and options available to employees.

### A. Vacation

Bargaining unit employees who work on a twelve (12)-month calendar will be eligible to receive paid vacation. Bargaining unit employees who work less than twelve (12) months per year (i.e., 10 months) do not earn paid vacation.

#### Vacation Accrual

Paid vacation leave shall accrue on the following basis for full-time employees who work a twelve (12)-month calendar:

16-20 years	17 days (136 hours)	27 days (216 hours)
21 years & over	20 days (160 Hours)	32 days (256 Hours)

2. Vacation leave will accrue on a monthly basis using July 1 as the annual accrual date.
3. Vacation leave shall not exceed the maximum accrual at the end of any pay period. Once an employee has reached the maximum accrual the employee will not accrue additional vacation until the balance falls below the maximum. Employees are encouraged to proactively schedule vacation with their supervisors in order to avoid this occurrence. A new employee must successfully complete the

employee's six (6)-month probationary period before the employee may use accrued vacation leave. At the completion of the probationary period, the employee will be credited with vacation accrual.

4. Employees are encouraged to take their vacation in full week or full day increments but may use accrued vacation in one-hour increments.
5. Vacation leave shall accrue during any paid leave of absence.
6. Upon termination of employment, an employee shall be paid for accrued unused vacation, providing the six (6)-month probationary period is completed.

#### Vacation Selection

Schedules for vacations shall be coordinated and approved by the supervisor, based on efficient operation of the District. Supervisors will encourage employees to utilize accrued vacation in order to maintain a positive and healthy workforce.

When two or more employees simultaneously request the same vacation dates, the request from the employee with the highest seniority will be considered first.

When vacation has been approved for an employee and an employee with higher seniority subsequently applies for the same vacation dates, the request of the employee with higher seniority shall not supersede the first employee's request. Vacation requests that have been denied by the supervisor may be appealed to the Director of Human Resources and are not subject to the grievance procedure.

#### Sick Leave Accrual

Bargaining unit employees will accrue sick leave at the rate of one day for each full calendar month of service completed. Ten (10)-month employees will be eligible for ten (10) days of accrual annually. There is no maximum accrual for sick leave. It will remain available to the employee while the employee is employed by the District.

1. Unused sick leave shall not be compensated for in any way at the time of termination of employment except as stated in Article 16 of this Agreement; Supplemental Retirement.

2. An employee may utilize unused sick leave accrual upon retirement in accordance with benefits provided by PERS and appropriate legislation.
3. A new employee may elect to transfer unused sick leave from a former Oregon District in accordance with ORS 332.507(4).

### Sick Leave Utilization

Bargaining unit employees may utilize their allowance of sick leave:

1. When unable to perform work duties by reason of illness or injury;
2. For serious illness in the immediate family;
3. For necessary personal medical, dental care, or vision care;
4. Exposure to contagious disease under circumstances by which the health of students, fellow employees or the public would be potentially affected by attendance of the employee; and
5. Under the Federal and State Medical Leave Acts (FMLA and OFLA).

Employees may use sick leave in minimum fifteen (15)-minute increments.

Sick leave for duration of more than five (5) consecutive works days may require a certificate from the employee's attending physician or health practitioner that the employee is able to return to work, or that the illness or injury prevents the school employee from working.

New employees in probationary status will be permitted to use accrued sick leave during their probationary period.

### Immediate Family

Immediate family is defined as any member of the employee's, spouse's, or domestic partner's parents, children, stepchildren, grandchildren, brothers, sisters, stepbrothers, stepsisters, grandparents, and loco-in-parentis relationships.

## C. Paid Family Sick Leave

Bargaining unit employees shall receive up to three (3) days leave per year with pay for

the illness of an immediate family member. Paid Family Sick Leave will accrue on July 1st each year and will expire on June 30<sup>th</sup>.

When possible, personal leave should be requested at least five (5) working days in advance of the time off. The supervisor/administrator should approve or deny such requests within two (2) working days of receipt of the request. Involuntary absences occasioned by personal business of an emergency nature may be excused if application is made within five (5) working days upon return to work.

1. Personal Leave may not be used to serve as a witness against the District.
2. After completion of the probationary period, Personal Leave will be prorated for the remainder of the first year based on the three (3) days allowed per school year.
3. Employees are encouraged to take Personal Leave in full day or half-day increments but may take leave in minimum one (1) hour increments. Exceptions will be made for employees with less than one (1) hour left in their shift.
4. Unused Personal Leave is not cumulative from one (1) year to the next and is automatically canceled upon termination of employment.
5. Request for Personal Leave shall be submitted electronically, using the appropriate District system.
6. Personal Leave shall be coordinated and approved by the supervisor, based on efficient operation of the District/worksite. When two or more employees request the same Personal Leave date(s), consideration shall be made on a first-come, first-served basis.

7. At the end of the fiscal year, the District will pay each eligible classified employee working for unused personal days, according to the chart below. The number of unused personal days and the amount paid will be adjusted proportionally for employees by FTE. Payment will be no later than the August payroll.

<b>% of allowed personal days not used</b>	<b>Unused personal days, based on 1.0 FTE</b>	<b>Amount paid, based on .50 to 1.0 FTE</b>	<b>Amount paid, based on .49 FTE or less</b>

5. Requests for bereavement leave to attend the funeral of someone not defined in this section may be granted at the discretion of the Superintendent.
6. The District shall comply with the Oregon Family Leave Act (OFLA) regarding bereavement leave. The paid bereavement leave in this section shall run concurrently with leave under OFLA.
7. The definition of "family members" under OFLA is different than the definition of "immediate family" under this section. The additional leave provided under OFLA will only apply to family members defined under the law.

G. Legal Leave

Bargaining unit employees will be granted leave with pay for jury service. Employees on jury duty should advise the court that they are on paid leave from their employer and should receive no compensation from the court.

Employees who are subpoenaed regarding school related business, shall receive their regular wage while officially attending to District related legal matters.

1. This provision excludes any court appearance when an employee is the litigant in a case brought against the District or related to a personal legal/litigation matter. Employees may use personal leave, accrued leave, or accrued compensatory time for all personal legal matters.

Upon being excused from jury service during any day, an employee will immediately contact the employee's supervisor and advise the supervisor of the employee's availability to return to work.

H. Unpaid Leave

At the District's discretion, unpaid leaves of up to twelve (12) months may be allowed. Requests for an unpaid leave will be made in writing and will state the reason for the request. An employee must exhaust all applicable paid leave prior to requesting unpaid leave, which may or may not be granted by the supervisor. An employee may request additional unpaid leave.

Denial of an unpaid leave may be appealed to the Board. The Board's decision will be final.

Upon returning to the District following an unpaid leave, the employee will be placed in a position in the same classification with the same hours and on the same step on the salary schedule.

An employee on unpaid leave is subject to the terms and conditions of employment as stated in this Agreement. An unpaid leave may result in the employee assuming the cost of the employee's insurance premium.

J. Professional Leave

The Superintendent may authorize absences of bargaining unit employees for professional purposes with full pay for such events as occasional visiting of other school systems, active participation by Ashland employees in professional programs, other professional

K. Additional Leave

At the Superintendent's discretion, the Superintendent may authorize paid leave under conditions of emergency, hardship, or benefit to the District.

## **ARTICLE 14 INSURANCE**

The Ashland School District is self-insured and provides employees with comprehensive medical, dental and vision coverage. In order for the self-insurance program to be financially beneficial for employees and the District, it is important that employees be well-informed about plan design. Additionally, employees should be aware that insurance rates are impacted by plan design, claims, stop-loss insurance and administrative rates.

To that end, the District has established an Insurance Committee that represents all employee groups in the District. The role of the Insurance Committee that represents all operations related to the District's self-insured program is to collaboratively review any savings or increased expenses, and to consider any changes in plan design and employee contributions. The Association shall have four (4) voting members on the Insurance Committee. Each committee member shall have one vote.

A non-probationary bargaining unit employee hired to work thirty (30) hours per week or more, nine (9) months or more per year, shall have access to health insurance benefits as enumerated in Section A for the employee and dependents. Bargaining unit employees who work twenty (20) hours per week or more, but less than thirty (30) hours per week on a nine (9) month basis or more per year, shall be eligible for "employee only medical only," paid by the District.

- A. The employee and District will pay the following portions of the monthly premiums for present insurance benefits, Family Medical, Dental and Vision as follows:

	<u>Employee</u>	<u>District</u>
Employee Only	0%	100%
Employee Plus Child(ren)	9%	91%
Employee Plus Spouse	11%	89%
Employee Plus Family	10%	90%

In no case shall the employees be held responsible for any premium increases greater than \$25 per month in a given year in any category.

- B. Changes may be made on an annual basis, based on insurance renewal dates. Currently, changes can be made in the month of November each year and become effective the following January.
- C. "Employee only" coverage will be guaranteed at no cost for the duration of this Agreement.
- D. Any increase in premiums for these coverages, after the insurance renewal date, in a single insurance year shall be paid by the District.
- E. When a benefit-eligible employee is hired on or before the fifteenth (15<sup>th</sup>) of the month, insurance coverage will commence on the first (1<sup>st</sup>) day of the following month. When a benefit-eligible employee is hired after the fifteenth (15<sup>th</sup>) of the month, insurance

coverage will commence on the first (1<sup>st</sup>) day of the following month, so that coverage for benefit-eligible employees will begin within thirty (30) days from the date of the first day of service.

- F. The District shall continue to provide a Section 125 Plan that includes the following:
1. A pre-tax option for insurance premiums;
  2. A flexible spending account for unreimbursed medical health expenses; and
  3. A flexible spending account for dependent care.

The District will continue to make supplemental insurance available for purchase at the discretion of the employee.

- G. Opt-Out—Employees who have medical coverage through another source may opt-out of the District-provided medical, prescription, dental, and vision coverage by providing to the District proof of coverage. The District will then provide the employee with a taxable benefit in the amount of \$200.00 per month. The employee may opt-out at open enrollment or during a qualifying life event. Employees who have medical, prescription, dental, and vision coverage under another Ashland School District employee, do not qualify for this opt-out benefit.
- H. Any currently insured employee who retires and is ineligible for the District supplemental retirement, may elect within sixty (60) days after the employee's effective date of retirement, to access "medical only" insurance coverage for the employee and the employee's spouse and dependent children, if any, until the employee is eligible for Medicare. Only the individuals covered by the group medical insurance at the time of the employee's retirement will have access to the District insurance. Such medical coverage shall be the same as that provided to current employees as enumerated in this Article. The employee shall be responsible for the full payment of such coverage. When the retiree's medical coverage is terminated, access to medical insurance shall be made available for the spouse/domestic partner of a retired employee until the spouse/domestic partner becomes eligible for Medicare. The child of a retiree shall have access to medical insurance until the child reaches age 26. The District will not pay any of the costs of medical insurance for the retiree's dependents.
- I. In order to assist employees who currently use tobacco products, the District will fund 100% of the cost of one cessation program and 75% of the cost of a second program comparable to the cost of those at Ashland Community Hospital, Rogue Valley Medical Center, and Providence Medford Medical Center.

## **ARTICLE 15 SUPPLEMENTAL RETIREMENT**

A. Supplemental retirement provides for the continuation of medical insurance benefits for those bargaining unit employees choosing to retire. The Board will make this option available for all eligible classified employees for the duration of this Agreement under the following conditions:

Employees hired on or after July 1, 2000, will not be eligible for supplemental retirement.

3. The employee must be eligible for retirement under the Public Employees Retirement System (PERS)/Oregon Public Service Retirement Program.

B. If an employee meets all of the above categories described in Section A, and decides to retire, the following retirement benefits will be provided by the Ashland School District:

1. The District will provide “medical only” insurance coverage for the retiree and the retiree’s spouse and dependent children, if any, until the retiree is eligible for Medicare or for a maximum of ten (10) years, whichever comes first. Such medical coverage shall be the same as that provided to current bargaining unit employees as per Article 15C. Payment for such coverage shall be as follows:
  - a. The District will pay for the “medical only” coverage for the retiree.
  - b. Each committee shall develop guidelines and procedures pertaining to its particular duties and membership of the committee.

  4. The Committee shall meet two times a year after work hours; once in October and once in February.
