Please note:

Students are expected to come to each class everyday with their binders and all necessary supplies and materials. They should not expect to make trips back and forth to lockers to get materials during class time or expect to borrow supplies from the teacher or classmates.

Items do not have to be new. It is, however, each student's responsibility to replenish supplies as they run out or are misplaced. Students will receive an agenda to keep track of daily assignments, appointments, sports and performance events, field trips, etc.

Please bring everything to homeroom on the first FULL day of school
