Invest in your future

Do you want to find out more information about
your 403(b) Retirement Account

The registered investment advisors at **Harfst and Associates, Inc.** are available to meet with you to answer any questions you might have about your 403(b) retirement account.

If you would like a **private, one-on-one conversation** about your 403(b) with an advisor to help you with:

- investment selection
- contributing to your account
- reviewing your existing allocation
- logging on to your Nationwide account
- or any other 403(b) account questions

please contact Robby or Danette from Harfst and Associates, Inc. at **541-488-2634** or **info@harfstassoc.com**

Access Your Account ONLINE !

You're in control

Here are just a few of the things you can do online:

View Your Account – *review your balance, see your future allocations*

Explore Funds – *view the fund performances, download fund fact sheets or prospectuses*

Change Investments – *reallocate your current balance, transfer between funds, change your future allocation*

Manage your Profile – *update your e-mail address and preferences, change your username or password, update security settings*

Learn More – *access the online education center, use the investment tools*

Go to **www.nationwide.com/login**

After "Don't have an account yet?" select "**Sign up**"

You will need your SSN and contract/account number (which is in your enrollment kit or on your quarterly statement, or contact the district office or Harfst and Associates for more assistance).

You can also access your account with Nationwide's toll-free voice response system which allows you to monitor and manage your account 24 hours a day, seven days a week at **1-800-772-2182**.
