

ANNUAL STUDENT EXHIBITION 2017

OPENING RECEPTIONS FRIDAY MARCH 3RD 5-8PM

March First Friday will have a very special added attraction when the Ashland Gallery Association celebrates student art. Each year the AGA hosts a student show. Alongside art by well-known local, regional and national artists, local galleries and businesses will feature works by budding young student artists from the art department of Ashland High School.

During the First Friday Art Walk on March 3rd, and throughout the month of March, visitors to AGA galleries will be dazzled by the beauty and uniqueness of the art made by these creative young minds. There will be paintings, drawings, mixed media, and special jewelry pieces as well as photography on display.

On the evening of March 3rd, during First Friday events, the student artists will be present at their hosting gallery from 5:00-8:00 p.m. to proudly discuss their work. All are invited and the community is encouraged to support these emerging artists by visiting the galleries.

A BIG “Thank You” to all of our participating locations, student artists, volunteers, Ashland High School and Sam Scharf for making this incredible exhibition of student work possible!

The Ashland Gallery Association is a non-profit organization promoting art in Ashland. For more information, or a free Ashland Gallery Guide, please visit www.ashlandgalleries.com

Event supported by the Ashland Gallery Association and made possible in part by grants from the City of Ashland and the Jackson County Cultural Coalition Grant
