Learn More about your Benefit Options!

Ashland Public Schools offers Aflac policies with special employer rates and pre-tax benefits. Aflac is different from Health Insurance: It's Insurance to cover the unexpected costs and daily living expenses that don't stop when you have an illness or injury. Benefits are paid directly to you, regardless of any other coverage you may have.

Because of current conditions we're sorry to say we will not be able to meet face to face this year. Debbie is available via telephone or virtually.
We will get through this together!
